DRAFT AMENDMENTS TO THE TOBACCO CONTROL ACT
(Act no. 14 of 9 March 1973 relating to prevention of the harmful effects of tobacco)

Additions and amendments are italicised.

New § 32A third and forth section regarding the prohibition of tobacco products with characterising flavour and certain additives

It is prohibited to sell or to hand over tobacco products with the following additives:

1) vitamins or other additives that create the impression that a tobacco product has a health benefit or presents reduced health risks;
2) caffeine or taurine or other additives and stimulant compounds that are associated with energy and vitality;
3) additives having colouring properties for emissions
4) for tobacco products for smoking, additives that facilitate inhalation or nicotine uptake;
5) additives that have CMR properties in unburnt form.

Third section letter d) does not apply to oral tobacco.
