

Assistance for completing FORM 21(7)

The fields of this form have to be completed in English language unless indicated otherwise.

Row	Explanation
3a	Choose the Annex in which the new title shall be entered. For Annex 5.1.3 use row 3b and for Annex 5.3.3 row 3c.
3b	If the change concerns a medical specialisation (Annex 5.1.3), choose the name of specialisation (only one) from the drop down menus.
3c	If the change concerns a dental specialisation (Annex 5.3.3), choose the name of specialisation from the drop down menu.
4	Enter the complete reference of the national laws, regulations and administrative provisions, <i>i.e.</i> the date, the number and the full title of the act(s) and/or regulation(s). The field is limited to maximum 1000 characters.
5 - 8	Fill out only if an existing entry has to be replaced. In all other cases write “not applicable”.
7 + 11	Enter the documents which are issued in your state in order to have full access to the profession, <i>e.g.</i> a certificate of mandatory training or additionally acquired competences. Documents which constitute solely an Annex to the Diploma itself should not be mentioned here. If no entry is necessary, write “not applicable”.
4 - 12	These fields are limited to 255 characters and have to be filled out in English <u>and</u> in the language of the notifying country.
13	Give concise explanation about the need of current notification, <i>e.g.</i> why a new title/education has to be introduced. <i>Do not repeat information already given in rows 1-12.</i> The field is limited to maximum 1000 characters.
