WHEREAS

I FACTS

1 Procedure

By letter dated 6 June 2008 from the Norwegian Ministry of Government Administration and Reform, forwarding a letter from the Ministry of Culture and Church Affairs dated 30 May 2008, received and registered by the Authority on 6 June 2008 (Event No.: 480301), the Norwegian authorities notified, pursuant to Article 4(2) of Decision No 195/04/COL, the proposed prolongation of the support schemes to audiovisual production, film related activities and film production companies.

2 Description of the aid measures

2.1 Scheme relating to support to audiovisual production

The support scheme relating to audiovisual production, which is laid down in the Regulation on support for audiovisual production (*Forskrift om tilskudd til audiovisuelle produksjoner*), covers different film support mechanisms, consisting of (i) production support for feature films, (ii) support for the Norwegian participation in international co-productions, (iii) production support based on market potential, (iv) production support for short films and (v) the support in the form of box office returns.

The Authority adopted three decisions (Decision No 32/02/COL, Decision No 186/03/COL and Decision No 179/05/COL) not to raise objections to the aid granted under the Regulation on support for audiovisual production as notified by the Norwegian government.

The scheme started on 8 February 2002 and was due to expire at the beginning of February 2007.

By Decision 342/06/COL, the Authority approved the prolongation of the scheme until 7 August 2008.

The Norwegian government has now notified a proposed prolongation of this scheme until 1 January 2009.

2.2 Scheme relating to public support for film production companies

The Authority also adopted Decision No 169/02/COL not to raise objections to the support for film production companies provided for in the Regulation on support for film production companies (*Forskrift om tilskudd til produksjonsselskaper*) as notified by the Norwegian government. The scheme pursues two main objectives: (i) to contribute towards the production companies' project development and (ii) to develop the companies' access to financing.

The support scheme was due to last five years and expire mid-September 2007.

By Decision 342/06/COL, the Authority approved the prolongation of the scheme until 7 August 2008.

The Norwegian government has now notified a proposed prolongation of this scheme until 1 January 2009.

II ASSESSMENT

1 Procedural requirements

Pursuant to Article 1(3) in Part I of Protocol 3 to the Surveillance and Court Agreement, *“the EFTA Surveillance Authority shall be informed, in sufficient time to enable it to submit its comments, of any plans to grant or alter aid (...). The State concerned shall not put its proposed measures into effect until the procedure has resulted in a final decision”*.

Article 4(2) of Decision No 195/04/COL provides that a prolongation of an existing authorised aid scheme by up to six years, with or without an increase in the budget, may be notified by way of a simplified notification form.

The Norwegian authorities have notified a prolongation of the current schemes until 1 January 2009. This corresponds to a prolongation of less than five months.

Norway has met its reporting obligations under Articles 5 and 6 of Decision No 195/04/COL and, pursuant to Article 4(3) of Decision No 195/04/COL, the simplified notification procedure can therefore be used.

By submitting a simplified notification for the prolongation of the support schemes relating to audiovisual production, film related activities and film production companies by letter dated 6 June 2008, the Norwegian authorities have complied with the notification requirement pursuant to Article 4 of Decision No 195/04/COL on simplified notification.

2 Assessment

The EEA Agreement does not contain a cultural exception similar to that provided for in Article 87(3)(d) EC. However, the Authority has in its previous decisions considered that film support measures may be approved on cultural grounds on the basis of Article 61(3)(c) EEA. The Authority has applied the same criteria as those applied by the European Commission on the basis of Article 87(3)(d) EC read in conjunction with the Communication on certain legal aspects relating to cinematographic and other audiovisual works.⁶

The requested extension of the duration of the schemes is the only change to the approved measures. All other aspects of the schemes remain unchanged.

The prolongation of the support schemes does not alter the assessment made by the Authority in its previous decisions approving the schemes. A prolongation based on the reasoning provided for in Decisions Nos. 32/02/COL, 169/02/COL, 186/03/COL and 179/05/COL can therefore be granted.

⁶ Communication from the Commission to the Council, the European Parliament, the Economic and Social Committee and the Committee of the Regions on certain legal aspects relating to cinematographic and other audiovisual works (COM(2001)534 final of 26.09.2001, OJ 2002 C 43); prolonged by the Commission Communication of 26 September 2001 (OJ 2007 C 134).

HAS ADOPTED THIS DECISION:

1. The EFTA Surveillance Authority has decided not to raise objections to the prolongation of the support schemes relating to audiovisual production, film related activities and film production companies provided for by the Norwegian authorities.
2. The Norwegian authorities are requested to submit simplified annual reports regarding the implementation of the aid in accordance with Articles 5 and 6 of Decision 195/04/COL.
3. This Decision is addressed to the Norwegian authorities.
4. Only the English version is authentic.
