Subject **ISA-free zones and compartments**

Body
Dear Craig,

Thank you for your e-mail of 24 March 2020 concerning ISA-free status of Norwegian zones and compartments.

I am happy to inform you that the following web-pages now are updated with the relevant information in accordance with Article 51 of Directive (EC) 2006/88:

https://www.mattilsynet.no/language/english/fish_and_aquaculture/fish_health/

https://www.mattilsynet.no/fisk_og_akvakultur/fiskehelse/fiske_og_skjellsykdommer/ila/liste_over_ilafrie_omraader.35631

The Norwegian Food Safety Authority will consequently start issuing animal health certificates for the zones and compartments listed as declared free of Infectious salmon anaemia (ISA) and not being suspended, from today on.

Best regards,

Knut Rønningen
CVO – Chief Veterinary Officer
Norwegian Food Safety Authority
Head Office
