Labour Law

Item 1-Complaint against Norway concerning deportation of a third-country national sent by a temporary work agency established in another EEA State (Case No 80810)

Reference is made to the point 1 in the Follow-up-letter from the Authority regarding the assessment of whether Section 19-8 of the Immigration Regulation is compatible with Article 36 EEA and the Directives on the posting of workers and on temporary agency work. The Norwegian Government was invited to provide results of the assessment.

Based on the preliminary assessment, the Ministry has decided to work on a consultation paper in order to amend the Section 19-8.

Yours sincerely
Solveig Lie
Director

Cathrine Cappelen Nielsen
